SCHOOL BAND

The school band made its first appearance as a marching band in the homecoming parade last Saturday pleasing the viewers with their fine performance. This was also the last time the band performed in public attired in their present red-gold and black uniforms. The new uniforms for the senior band have been ordered from Feicheimer and Bros. Uniform Company, which is represented and sponsored by the Penney Company in Saginaw. The style of the new uniforms (West Point Cadet) was chosen by the band members themselves and it appears to be ideal for the purpose and well suited for a marching band. The first wearing of them will be at the Christmas Concert, December 13th.

Supporting the new uniform drive, the Freeland Study Club recently donated seventy dollars and Mrs. Pat

Timmons, twenty-five dollars.

The school and students wish to thank these donors and all those in the past who have made the new uniforms possible this year.

PROBATION OFFICER APPOINTED

Rev. John C. McCollister, pastor of Zion Lutheran Church, has been appointed a special voluntary juvenile probation officer by Probate Judge Glenn E. Jordan. The appointment is the first of its kind in Saginaw County.

Rev. McCollister will work with the Sheriff's Department and County juvenile authorities with youngsters in the Freeland area.

Judge Jordan feels that such an appoint-

ment will benefit the village of Freeland as well as the work of the Probate Court. Pastor McCollister welcomes this opportunity to reach some of the young people whom our churches can serve and help.

FROM YOUR LOCAL SOCIAL SECURITY OFFICE

John T. Maidlow, Manager of the Saginaw Social Security Office today expressed concern about a recent report of men in Southern Michigan posing as Social Security officials in order to victimize a Michigan resident. "Although we have no evidence to indicate these men may be operating in this area," he stated, "I strongly urge everyone receiving a visit from a Social Security representative to ask him to identify himself. All our representatives carry official identification cards bearing their pictures and description."

PTA CARNIVAL

Have you seen the clever clown faces on posters around town? These happy faces are your reminder that another big P.T.A. Carnival will be held October 27th, 6:30 p.m. at the Elementary School Gym.

You will have fun playing the Cake Walk, Picking the Hoboe's Pockets, and playing many new games. Refreshments will be available all evening.

A White Elephant Sale will take place and we urge you to donate all your "white elephants". You may bring them to the Carnival or phone Betty Campbell, OX 54351.

Please keep the clowns smiling by attending another big carnival Oct. 27! Proceeds used to purchase educational equipment for both schools.

unicef

Instead of asking for treats for themselves this Halloween, the Freeland children will be carrying UNICEF marked cartons to collect contributions for UNICEF. UNICEF is the United Nations Children Fund. It supplies medicine and food for hungry and sick children all over the world. A penny will give 5 glasses of milk to a hungry child. A nickel can provide enough penicillin to cure a child of the dreaded yaws disease.

Pat's Food Center is furnishing the refreshments and prizes for costumes at a party to

be held at the Community Hall from 7 to 8 pm on Halloween night Oct. 31st. Please open your hearts as well as your doors to these youngsters collecting for UNICEF....

BAND BOOSTERS

The band uniforms are ordered and should be ready by Christmas Concert time. We do need quite a bit more money to take care of the expense. Some ladies, Mrs. Marie Strecker, Mrs. Marilyn Marcy and Mrs. Pat Timmons had a coffee the other morning and took up a collection to benefit the band. A good time was had by all and quite a bit was collected for the Band Boosters in a painless way. We would like to encourage anyone interested in having either a coffee break or a potluck and making money in this manner as the band is surely in need of the funds and it is a chance to have a good time too...

Thank you,
Floyd Campbell, Pres.,
Band Boosters.

WHY VOTE??

At our Farm Bureau meeting held last Oct. 12, 1962 our discussion centered around the various, most prevalent political trends of our land and the trends of other influential countries which in our opinion are of such characteristics and magnitudes that, if continued at present rate of speed, will place our God Given Freedom in jeopardy to such an extent that freedom itself will not ring but rather the voice of the dictatorial, political czar who shall not in his ideology have room for mercy and freedom.

This trend has most recently been demonstrated by the political powers when the Supreme Courts of our land was given power and authority through modernized interpretat-

servation, surely we will study the apparent intent of our people seeking political office and by all means exercise our voting right and vote for those things and those people of our choice on the basis of merit.
